ROOM NO. 256	BUILDING Curie Hall	
REMARKS:		
<p>Rud:</p> <p>Thanks for sending this up. As I understand it, the Council (1) definitely does not want an elite corps nor an overseas corps; (2) does want early retirement benefits for all of our people and thinks that overseas service should only be an incidental part of the formula; and (3) wants more supergrades. Frankly, I'm a little confused as to just where we go from here and would like to discuss the matter with you and Gordon sometime soon.</p> <p><i>LKW</i></p> <p>LKW</p>
